

## Lesson 3

### History of Miracles

- 1 Only those on fire for God would be a part of the major miracles in their time
- 2 Major changes in God's "chapters" often occur after the sin cycle has brought the people to the point of needing to repent and get right with God because they are imprisoned and miserable, and the secular world, as well as often God's people both increase dramatically in sin
- 3 God uses miracles to bring peoples attention to the fact that He is the only way and supersedes all fake gods and the deceptive tricks that any satnic priests with dark magic have
- 4 When the season of conversion, return or chapter change is finished, there is less need for miracles, because the hearts have turned back to God, so they fade out
- 5 When the season of miracles is over, those in the season of not having a plethora of miracles villainize miracles and clump any true miracles in bed with dark magic, and say any who has true miracles must of satan
- 6 The crescendo of miracles increase until it is clear there are two types of things going on one definably from God and one definably dark

To summarize:

1 God is sovereign and can do any and all miracles by himself whenever he pleases.

2 God can choose to use Angels and Humans to assist in bringing about a miracle, if that is what will benefit the situation.

3 In Egypt all of the plagues were surgically chosen to challenge each of their pagan gods. In the beginning the wizards could duplicate the miracles with dark magic but then God showed himself superior through Moses and Aaron to prove to all of Egypt that there is no God above our God. Most of the miracles were executed by God's angels.

4 Most of the Miracles from Moses to Esther took faith and needed obedience out of man in order to bring the miracle about. This is not because God needs our help, the is to test man, if he will do all that God says and in the process build their fait when all God promised happens.

5 Most of the miracles in the OT were for practical needs like food, drink, financial provisions, or war; or to be sure that Israel kept there reverence for God like in the case of the Ark of the Covenant not being touched.

6 I think I special connection is placed specifically in the miracles of Elisha to foreshadow the miracles of Christ, so that when Christ did them the Jews would have no cause for feeling it were spooky, since so much time had passed... but a devout Jew would be familiar with the most popular of Jesus's miracles

- healing the blind(Jesus did this several times)
- blinding the army to make safe passage (Jesus did this for a crow set to stone him)
- feeding 100 with 20 loaves (Jesus fed 5k from 5 loaves +2 fish & with and 4k from 7 loaves + a few fish)
- Naaman had to go dip 7 times (show faith) (many whom Jesus heard were told to go do something like go home and see, go wash etc)
- Naaman was healed from Leprosy (Jesus healed many Lepers)
- Consequences for greed (Gehazi)(Ananias and Sapphira died as consequences from greed in Acts b/c lied to Holy Spirit)

7 The New Testament appearances and vision, seemed to hold a few distinct themes.

- An angel appears to people who have a new and different role, to confirm it is from God
- An angel appears to testify of God
- An angel or vision appears to direct a person to go somewhere or avoid some place, or restrict them from sharing the gospel to a place

8 The New Testament miracles from Jesus had the overarching goal to show the world that he was indeed the awaited Messiah. His miracles can be summed up into categories and with certain reasons, besides testifying and helping people to repent and come to Him...

- Food or drink/practical:
  - but always over and above the need
  - always other people gather & distribute
- Industry/Money: person had specific directions to follow
- Healings: some for the onlookers benefit to know He is God's Son, some for the benefit of relieving the person from the ailment
- Healings that had demons as the source (not all) were:
  - rebuked (given boundaries)
  - cast out of the person with Jesus word
  - sometimes they were told where to go
  - sometimes they were told not to do re-enter
  - the unclean that the apostles could not remove are a special category and need prayer and fasting to be cast out
  - demoniac: rebuked and said, "Come out of him!" and he convulsed and the spirit cried out loudly and came out of him
- Healings: the recipient needed all or most of these:
  - be willing
  - have an earnest desire to be healed
  - have faith it they would be healed
  - acknowledge and trust Christ *could* heal them
  - obey directions
- Supernatural: to prove to the Apostles that he was truly God's Son

- Healings with touch:
  - blindness:
    - spit hands on 2x
    - spit, dirt= clay cakes
    - spit & ground, told to dip in pool
    - touched
    - go your way, your faith has made you well
  - woman w 12 yrs blood touched garment in faith, energy left Jesus and got his attention
  - woman w 18 year infirmity of weakness: Jesus initiated, hands on = made straight
  - mass healings; touched garment
  - severed ear: touched = healed
  - deaf & mute:
    - fingers in ears
    - spit and touched tongue
    - looked up to heaven & said be opened
- Raised from the Dead:
  - touched coffin, "young man get up"
  - spoke "little girls, I say, you arise", then ordered food to be given
  - said "Lazarus come forth"

9 New Testament miracles done by Apostles were done  
 Acts 5: and believers were increasingly added to the Lord, multitudes of both men and women...

- in Christ's name
  - in the name of Jesus Christ the Nazarene
  - Jesus Christ heals you
- the spirit or person was commanded to do something in the name of Jesus
- freed from jail was always to keep the gospel moving and being spread farther

- Blinding Bar-Jesus = Now the hand of the Lord is against you, for a time you will be blind and unable to see the sunlight
- 70 authority over serpents, scorpions, demons, nothing could hurt them

## 10 The Holy Spirit and the Church

- Holy Spirit depends on Jewish-Christians w mighty rushing wind, flame, new language to spread the gospel, as Holy Spirit enabled
- Holy Spirit fell on gentiles, to prove to Jews they were also allowed "in the club" and to spread the gospel bc languages given and all were baptized in the name of the Lord
- Paul introduce the Holy Spirit in Ephesus; baptizing all in tot he Lord Jesus, then Paul laid hands on them to impart the Holy Spirit; they spoke diff languages and prophesied
- Holy spirit supernaturally transpired Phillip over 325 miles to share the gospel in another place
- Stephen full of HS did many signs and wonders and had wisdom, at the council his false looked like that of an angel (glowing)
- Paul prayed & laid hands on dysentery & fever
- Over death
  - Dorcas/Tabitha: Knelt, prayed, turned toward body, "Tabitha, get up!" Peter helped her up
  - Eutychus: fell 3 stories, picked up dead- Paul threw self on man, embraced, "Do not be alarmed, He is alive!"

## 11 Angels involved in Apostolic miracles

- Peter: told specifically what to do, chains fall off wrists; Peter feels like is is surreal and a vision; Angel stays with until 1 block past safety
- Apostles: at night; angel opened door of public jail

12 To recap: there are specific categories of healings, miracles and provisions in the Bible. All require faith, and wither a tool or anointing from God in the Old Testament or Through Christ or through Christ's name in the New Testament. Some require hands on interaction. Some require prayer, or prayer and fasting. All in the New Testament and most in the Old Testament are done by those filled with the Holy Spirit of God. The humans are the vehicle used to share God's power to help a person or a group of persons to have faith in God or believe in Jesus as God's son. The miracles are never party tricks. The miracles do not elevate the human being used for the process, they point to God. We should be armed, educated and ready to be used by God to do miracles, especially in these last days in the crescendo of miracles, but never in pride and only if it is something laid upon the person being used by the Holy Spirit.
