## From Ropes 2

I saw an airplane that was so high above the clouds that from earth it could not be seen with the naked eye. I was level with the plane. and I watched them open up a side door of the plane and whoever was inside threw masses of beautiful sparkles that might be a mix between glitter and fireworks, they formed a triangle type shape and fell to the earth and I knew that what these men did from an airplane was being seen on earth as a miracle from heaven from the false messiah... but the whole thing was a hoax.
