Translation:

Spiritual Warfare through Prayer, Scripture &
Worship is for now.

The translation is next. We are going up next.

Worship & sing songs to the Lord

My Dad (literal or God) and brothers in Christ are
all excited about our coming up, in Heaven

A 57 year old from the North bent on death and
destruction will gather prisoners like a man gathers
many fish on a hook for carrying and will force the
people.

This event is why the obedient must come home
BEFORE harm.

I testify and bear witness about what the Lord has
done and is doing

The Messiah

Very Soon, Giboa, for the Anointed

God will take guard
God will take charge over you with His mighty
angels

Beware those who have not submitted to him

The time is coming
The time is here!
