Church ~ Directive #1

Hear My Voice—

The Voice of the Lord.

Pray for the weak and unsaved.

Many of you have a spouse who is not as strong in their faith as you are, with Me.
Some have an unsaved spouse.

Pray especially for them in fervor, starting today.

Soon the chaos to come will alarm them.

Pray they are held in My Peace.

Pray they are surrounded by My Angels.

Pray the people around them who are filled with demons and who will be
scared, that they do not make your spouse susceptible to take on their fears.

Begin NOW to bind the demons from them—

And that My Supernatural Peace is given to them as a gift.

Pray they see Truth.

Pray they are released from the bonds that keep them at a distance from Me.

Pray fervently for the spouses first.

Next pray in the same way for any family members who are not as close to Me as they
should be, or are unsaved.

Work your way outward, praying this over your close friends, and then acquaintances
and people you know by name.

Pray each person by name— specifically for people and their personal situations.

Pray fervently for the next several days.

Repeatedly through the day, pray.

If you are short on time, pray repeatedly for your spouses and family first.

That is your primary ministry, getting your family into My Peace.

Those that know the Art of Prayer already— Pray with Full Power.

Those who are learning to pray— Pray from your deepest sincerity.

I will show you My Faithfulness.

Pray!
